

AI  
canceled  
88. (New) The invention of Claim 82 further comprising determining the single path by,  
starting with a selected cell being a given cell:

(i) determining which cell directly connected to the given cell was in a determined path the last time the given cell was in a determined path; and

(ii) repeating (i) with the given cell being the cell determined in (i).

---

REMARKS

In this Preliminary Amendment, Applicants have cancelled Claims 32-42 and 56-64 without prejudice and have added new Claims 65-88. If the Examiner has any questions concerning this Preliminary Amendment, he is invited to contact the undersigned attorney at (312) 321-4719.

Dated: March 11, 2003

Respectfully submitted,
